The hammam

Steigenberger Hotel Doha has announced the upcoming launch of Goco Spa Doha, a highly anticipated urban wellness sanctuary.

Situated on the rooftop level of the property, Goco Spa Doha promises to take guests on a luxurious journey into tranquillity, well-being and self-discovery. Operated by Goco Hospitality, award-winning luxury spa and wellness consultants who have successfully owned and managed iconic spa and wellness resorts around the world.

Goco Spa Doha's offerings are reflective of the brand's overall vision to blend tradition with modern innovation. Guests will be treated to a plethora of holistic treatments and results-orientated therapies.

Alluring experiences

Alluring experiences include female beauty and male grooming services, hydrotherapy and thermal offerings, signature hammam and scrub experiences, and curated well-being journeys – all elevated through bespoke contemporary design and well-thought-out spaces that offer luxurious opportunities for privacy and social interaction.

Guests can look forward to an enriching program of spa and well-being experiences through a range of carefully selected treatments, delivered by an internationally qualified team of highly skilled spa therapists supported by results-orientated international product brands such as Gentlemen's Tonic, QMS Medicosmetics, Margaret Dabbs London and Maison D'Asa.

Spanning 1,700 sq m, the facilities showcase a calm, refined and contemporary aesthetic, highlighted by luxurious materials, that have been designed to provide a sense of place and intimacy. Stand-out facilities include eight dedicated spa treatment suites, with access to a private terrace boasting an outdoor plunge pool with relaxed seating, and secret gardens designed to create private relaxation areas.

Designated hammam

The Spa has designated hammam, sauna, steam, and private scrub rooms for men and women, as well as a sizeable outdoor space for social events, with access to a female swimming pool and a relaxation deck in the ladies' spa area.

Sherief Abouelmagd, General Manager of Steigenberger Hotel Doha, comments: "The Goco Spa Doha is a fantastic addition to our outstanding facilities at our property. Inspired by some of the world's most cutting-edge spa innovations, it is a full-service premier spa.

Here at Steigenberger Hotel Doha, our guests will be able to dive into a journey of rejuvenating treatments designed to restore and revive the mind, body and spirit in an opulent, yet tranquil destination."

Ingo Schweder, Founder and CEO of Goco Hospitality comments: "Goco Spa Doha, represents an outstanding contemporary luxury spa with modern well-being innovations. In creating Goco Spa Doha, we will be offering the all-important elements of luxurious, relaxing indoors and outdoors spaces with high levels of privacy so much sought after in the region. Alongside international results-driven wellness and signature spa treatments, the authentic personalised guest journey will establish a new level of wellness offering unlike others found in Doha."--
